

## **Town of Riverdale Park**

5008 Queensbury Road  
Riverdale Park, MD 20737

404-626-2082

[www.riverdaleparkmd.info](http://www.riverdaleparkmd.info)

Municipality

*Member since May 2014*

### **MANAGEMENT AND LEADERSHIP**

#### **Environmental Team**

*We have a Green Team (RP Sustainability Committee) and they are currently filing to be a [Sustainable Maryland Certified](#) community. They meet monthly and are helping to drive forward many of the sustainability goals of the town through project-focused efforts.*

#### **Environmentally Preferable Purchasing**

*The Town Council passed a resolution requiring EPP – the legislation can be found here: <http://riverdaleparkmd.info/Resolution%202014-R-07.signed.pdf>*

#### **Environmental Restoration or Community Environmental Projects**

*We participate in Arbor Day as well as tree planting efforts throughout the year. We were a Tree City USA in prior years and are re-applying in 2014 for certification.*

### **ENERGY**

#### **Energy Efficiency**

*The town has had a municipal energy audit performed by a consultant to MEA to establish a baseline towards energy reduction. We are implementing these environmental goals towards the build-out of our new town hall to include a continuous insulation level, geo-thermal, green roof etc. Due to the baseline and implementation of energy efficient light bulbs and replacement windows, we have reduced our expenditure on electricity costs by close to 20% over the last 3 years.*

## **OTHER**

*The Town of Riverdale Park negotiated the Cafritz/Whole Foods development project which will be a ~40 acre mixed-use site focused on the existing mass transportation infrastructure and the County's first LEED-ND project.*
